

TUITION AND FEES - ELECTIVES

As a W. P. Carey MBA – Evening or Evening Accelerated student, you have the flexibility to choose to take electives throughout the academic year when your schedule permits. You are required to complete 15 credit hours of elective coursework. Evening Accelerated students are required to complete 3 of those elective credit hours during the Spring semester of admission.

Since you may choose to take electives at various times during your academic program, the fee schedule may vary between individuals depending on the academic term when the elective is taken.

To assist you in planning expenses during the program, a number of scenarios are presented below which are representative of most students in the program. To view additional information regarding electives, visit <http://wpcarey.asu.edu/eveningelectives>.

Financial aid may be available to you for all electives and fees required for the program.

The following guidelines apply to tuition and fees:

- Tuition and fees for elective courses include two components: W. P. Carey MBA Program fees and ASU Graduate Tuition.
- W. P. Carey MBA Program fees are assessed for each and every elective credit hour taken, regardless of term.
- Additional ASU Graduate tuition and fees are applicable for all electives taken during the summer session.
- Incremental ASU Graduate tuition and fees are not charged for electives taken during the Fall or Spring semester.
- Off-site courses such as the international electives also require an international program fee in addition to the W. P. Carey MBA Program fee and ASU Graduate tuition and fees.

All tuition and fees are subject to approval by the Arizona Board of Regents. Summer tuition and fee rates are determined based on Summer 2009 rates.
