Academic Success Specialist
39406BR

Job Description
The WPC Undergraduate Programs Office is currently seeking a service-oriented individual to fill an Academic Success Specialist position at the Tempe campus. An Academic Success Specialist works with and through others, building and maintaining relationships, while working closely and accurately within established guidelines. The position requires a, “How can I help you?” perspective when advising undergraduate students with a focus on retention and student success. Communication is key for a student’s academic progress as well as having the organization and technical skills to track and monitor progress. The Academic Success Specialist is part of a team that jumps in and is willing to help out when and where it is necessary; this includes the opportunity to teach freshmen student success course and attend Camp Carey.

Campus/Location
Campus: Tempe

Department Name
WPC UPO Academic Services

Grant Funded Position
This is not a grant funded position and is not contingent on future grant funding.

Category
02

Close Date
20-February-2018

Essential Duties

- Advising online students, responding to their questions and concerns and working with them to ensure ongoing satisfaction with program and successful progress to degree completion. This includes current, prospective (high school and transfer), and transition (incoming or outgoing) students.
- Providing 1:1 as well as group academic advising, recruitment and retention, and
academic success support functions to students to ensure ongoing successful progress to completion of degree program

- Assisting online students with resolving academic issues; making appropriate and timely referrals for non-academic issues and/or concerns to applicable services including, but not limited to: Student Health, Counseling and Consultation, and Career Services

- Working closely with online students to identify all academic options including, but not limited to: degrees, extracurricular activities, study abroad program(s), research, and internships; supporting and providing counsel to students in selection of options best suited to students' goals, interests and skills

- Informing online students about and interpreting University, college and program level academic policies and procedures

- Utilizing online tools such as Peoplesoft, ASU Dashboards, Degree Audit Reporting System and eAdvisor to monitor and assist students with timely academic progress, exploration of various academic options, and course selection and registration

- Acting as college/department liaison to current and prospective students, faculty, staff, and external groups on issues related to academic success

- Participating in recruitment/admissions, retention, career development, and student engagement activities, including teaching a student success course

- Collaborating with academic units and student services departments throughout the University to facilitate comprehensive student support

- Preparing reports and advising materials

- Developing and presenting workshops for students, parents, high school/community college advisors about W. P. Carey programs, policy, and procedures

- Participating in workshops, webinars, and presentations related to advising and skill development

Minimum Qualifications

Bachelor’s degree AND two (2) years previous experience in one or more of the following: advising, student recruitment/retention or related student services utilizing a proactive and innovative approach which results in demonstrated outcomes in retention, graduation, and academic planning; OR, Any equivalent combination of experience and/or education from which comparable knowledge, skills and abilities have been achieved.

Desired Qualifications

- Evidence of a Master's degree preferred
- Experience working in an academic environment with college-level advising
- Experience in collaborating with undergraduate students and university faculty and staff
- Demonstrated knowledge of student recruitment and admissions and retention programs
- Demonstrated knowledge of business education
- Experience in using technology for communication, researching information, and tracking (i.e., Microsoft Office, Student Information Systems)
- Experience in using organization skills
Experience in attention to detail
Experience in using problem solving skills
Experience in working in a team
Evidence of effective verbal and written communication skills

Working Environment

- Use cognitive ability to provide complex evaluations/assessments of students/programs, including interpretation of policies, procedures, and requirements of various degree/certification programs within the school as they pertain to honors students
- Communicate effectively, both in writing and verbally, to develop advisement materials in various formats (electronic, hard-copy, etc.), and to coordinate and present information to current and prospective students
- Work with students in a higher education/university level, both one-on-one and in group/class settings, in-person and via phone and e-mail
- Travel
- Utilize computer, phone, and various office equipment (fax, copier, etc.)
- Utilize various forms of technology to communicate with students (including social media)
- Work long hours, including evening and/or weekends, as needed
