Faculty Associate - Supply Chain Management
67408BR
Campus: Tempe

Job Description

The Department of Supply Chain Management in the W. P. Carey School of Business at Arizona State University invites applications for multiple part-time Faculty Associate positions for the academic year 2021-2022.

The successful candidate(s) will teach in-person or online courses, prepare course materials, evaluate student work, and assist students. Faculty Associate positions are one semester, non-benefits-eligible, fixed-term appointments with no tenure implications, not to exceed .40 FTE. The number of courses is contingent upon needs, funding and sufficient enrollment. Salary is based upon qualifications and assigned teaching load. Individuals employed as Faculty Associates may not hold multiple, non-benefits eligible appointments at Arizona State University.

Grant Funded Position
This is not a grant funded position and is not contingent on future grant funding.

Salary Range
Depends on experience

Close Date
21-May-2021 is the initial close date. Applications will continue to be accepted and reviewed every week thereafter until filled. Final close date, 20-August-2021.

Essential Duties

The candidate must contribute to the Department of Supply Chain Management’s mission in the areas of teaching and must be able and willing to teach operations, procurement, logistics and business analytics courses to undergraduate and/or graduate students.

Minimum Qualifications

A master’s degree in business administration, supply chain management or related field; 2) Potential for teaching excellence at the undergraduate or graduate level as evidenced by organization and communication skills; 3) A record of scholarship as evidenced by professional experience and/or academic experience within
the supply chain management profession, an active learning agenda, and papers or articles, tutorials, or manuals.

**Desired Qualifications**

1) Excellence in teaching supply chain management, operations, procurement, logistics and/or business analytics courses; 2) Significant service and professional contributions to the supply chain management profession; 3) Experience with training and industry partnerships; 4) Teaching experience in a variety of platforms, including executive, onsite, online, graduate and undergraduate levels.

**Working Environment**

Activities are performed in an environmentally controlled classroom setting subject to extended periods of standing, lecturing, facilitating classroom activities
Frequently required to stand for varying lengths of time and walk moderate distances to perform work
Occasional bending, reaching, lifting, pushing and pulling up to 25 pounds
Occasional activities require ability to quickly change priorities which may include and/or are subject to resolution of conflicts
Clearly communicate to perform essential functions
Regular use of standard office equipment including, but not limited to: computer workstation/laptop (keyboard, monitor, mouse), printer, copier, telephone and associated computer/technology peripherals

**Department Statement**

The Department of Supply Chain Management is regularly ranked among the top 5 in the United States at both the undergraduate and graduate levels, and each year graduates approximately 400 students with a BS-SCM, 95 with a BA-Global Logistics, 45 Full-Time MBAs with an SCM concentration, numerous Working Professional MBAs (50+ with a SCM concentration), 58 with a MS-Global Logistics and 230 with a MS-Business Analytics, and 2 to 4 PhD students. The ASU SCM faculty includes over 30 tenured, tenure-track, and clinical professors – among the largest in the United States. Many top researchers visit the department to present their work at regular seminars and conferences. All this translates into high quality instruction at both the undergraduate and graduate levels. **ASU Statement**

Arizona State University is a new model for American higher education, an unprecedented combination of academic excellence, entrepreneurial energy and broad access. This New American University is a single, unified institution comprising four differentiated campuses positively impacting the economic, social, cultural and environmental health of the communities it serves. Its research is inspired by real world application blurring the boundaries that traditionally separate academic disciplines. ASU serves more than 90,000 students in metropolitan Phoenix, Arizona, the nation’s fifth largest city. ASU champions intellectual and cultural diversity, and welcomes students from all fifty states and more than one hundred nations across the globe.

ASU is a tobacco-free university. For details visit [www.asu.edu/tobaccofree](http://www.asu.edu/tobaccofree)

AmeriCorps, Peace Corps, and other national service alumni are encouraged to apply.
Arizona State University is a VEVRAA Federal Contractor and an Equal Opportunity/Affirmative Action Employer. All qualified applicants will be considered without regard to race, color, sex, religion, national origin, disability, protected veteran status, or any other basis protected by law.

**Employment Verification Statement**
ASU conducts pre-employment screening which may include verification of work history, academic credentials, licenses, and certifications.

**Background Check Statement**
ASU conducts pre-employment screening for all positions which includes a criminal background check, verification of work history, academic credentials, licenses, and certifications. Employment is contingent upon successful passing of the background check.

**Instructions to Apply**

Application deadline is 3:00PM Arizona time on the date indicated.

Formal application must be accomplished through submission of a 1) resume or CV, 2) list of ASU SCM courses that you are interested in teaching, and 3) list of references uploaded through the job portal. Application materials **must be submitted via ASU’s online application portal found at** [https://sjobs.brassring.com](https://sjobs.brassring.com).
